This term, NNT's season charity is Every year, one in four of us will experience a mental health problem.

But hundreds of thousands of people are still struggling. This term, the NNT's season charity is Mind. Mind is a mental health charity based in England and Wales set up in 1946. It offers easily accessible information and counselling to those with mental health issues. Due to its stature, it is also able to produce real change by successfully lobby authorities on issues regarding mental health. Its lobbying has proven results, such as in the Mental Health Units Act 2018. There are 132 independent affiliated Mind associations, including one for Nottinghamshire, which offer services such as local supported housing and self-help support groups.

We have chosen this charity in memory of one of our members, Rohanna Brown. Rohanna was involved in around 14 different productions over her time at NNT, and was a recognised and loved figure around the theatre.
