Every year, one in four of us  
will experience a mental health problem.  
But hundreds of thousands of people are still struggling.  
This term, the NNT's season charity is Mind.  
Mind is a mental health charity based in England and  
Wales set up in 1946. It offers easily accessible information  
and counselling to those with mental health issues.  
Due to its stature, it is also able to produce real change  
by successfully lobby authorities on issues regarding  
mental health. Its lobbying has proven results, such as  
in the Mental Health Units Act 2018. There are 132  
independent affiliated Mind associations, including one for  
Nottinghamshire, which offer services such as local  
supported housing and self-help support groups.

We have chosen this charity in memory of one of our  
members, Rohanna Brown. Rohanna was involved  
in around 14 different productions over her time at  
NNT, and was a recognised and  
loved figure around the theatre.
